Subject :- Passionate & Ready! Looking for an Internship to Grow & Contribute.

Dear HR Manager,

I am writing to you regarding internship/entry level job. I am Shivraj Jadhav and I am thrilled to express my interest in the internship/full time job. I have found that opportunity on indeed and I believe that I meet the majority of required qualification for this position.

I am Pursuing B.Tech in Data Science from G.H.Raisoni College, Pune University. During my academics , I also pursuing online certificate courses in Python, PowerBI. Currently, I hold 7.77 CGPA . and recently I have completed a Project Which is Based On a streamlit framework, Main objective of my project is to visualize historical Olympic dataset in proper manner and make easier for user to find crucial insights. I have technical skills and soft skills required for this position ,technical skills like Python, Basic SQL, Basic DBMS, Data Visualization, PowerBI and now I am upskilling myself.

I have a strong interest in Data Related Field and I am passionate about learning new tecnology and to keep myself updated, I can easily adapt with new environment, if you give me a chance i will give my best.

I look forward to any opportunity to discuss the position and what I can do for your company. I believe my skills and motivation make me a great potential asset. Please don't hesitate to contact me, if you need any additional information.

Thank you for your consideration.

Sincerely,
Shivraj Jadhav.
